

## Questionnaire for GOP Technical Education Grant:

1. List two trades in which you have an interest. Identify which of these trades is your primary interest.

2. Describe how this primary trade is vital to our economy.

3. What special skills or circumstances do you possess that might make you successful in this trade?

4. What wage/compensation is common in this trade?

5. What credentials/license/certification would you receive upon satisfactory completion of the training?

6. What costs are associated with pursuing this trade (such as tools, equipment, attire, etc.)?

7. What options are available after graduation – continuing education, etc.?

8. What do you see as the biggest obstacle to pursuing this trade?

9. From a personal perspective, how did you become interested in this trade?

10. Where do you see this training taking you in 5 years?

- Additional pages may be added to expand answers
- Payment of Grant Award is contingent on acceptance to any accredited technical school, verified through submission of scanned acceptance letter

**The following terms are accepted by the applicant upon submission.**

**The GOP Grant committee has total discretion in determining whether answers submitted will result in the award of a Grant. The quantity and quality of applications will determine whether award(s) are to be granted.**
